PROJECTS

Food Truck Chasers | https://github.com/dnfrancis22/FoodTruck-Chasers
https://glacial-ocean-57671.herokuapp.com/

- **Summary:** Food truck chasers is an application where users in a city can chase all the food trucks in their area by searching by zip code and food category. For food truck operators it is an application to help drive traffic to their food trucks and create an awareness of where they are on any given day.
- **Role:** Worked on the front end development laying out the handlebar pages and working on styling.
- **Tools:** Zurb Foundation for CSS Styling, Handlebars, JavaScript, jQuery, Nodejs, MySQL, sequelize, Express, and Cloudinary

The Inspirator | https://github.com/dnfrancis22/GT-Project1
https://github.com/dnfrancis22/GT-Project1

- **Summary:**The Inspirator is an application to help unlock creativity for persons needing a fresh approach. This site provides a different perspective to help continue or initiate a project, from writing a song to plotting a story.

- **Role:** Assisted with the front end development and worked on the ajax call for the YouTube API.
- **Tools:** Bootstrap for CSS Styling, HTML, JavaScript, and jQuery

Weather dashboard | https://github.com/dnfrancis22/weather-dashboard
https://dnfrancis22.github.io/weather-dashboard/
- **Summary:** This is a weather app. You can search for a city and get the current weather as well as a five forecast. The users search will be generated into a button that can be clicked and the weather information for that city will be recalled.
- **Role:** Sole author
- **Tools:** Bootstrap for CSS Styling, HTML, JavaScript, and jQuery

EXPERIENCE

Lead Exhibit Designer / Graphic Designer   **2003 – 2020**
Skyline Southeast   **Alpharetta, GA**
- Lead projects from Discovery to final presentation and production.
- Worked Face to face with clients during discovery and presentation.
- Was given responsibility for all exhibit design duties in my second year with Skyline.
- Increased design capabilities by learning to design custom exhibits as well as prefabricated modular exhibits.
- Managed worked with outside vendors to produce graphics and other materials.
